

CAMP PEACEFUL PINES

Renter's Handbook

Greetings,

We want to take this opportunity to welcome you to Camp Peaceful Pines. This handbook is your guide to follow when you use the camp. We ask that you read it carefully and note areas that require special attention.

The Camp Superintendent serves as your point of contact with whom you will communicate while you are at camp. The Superintendent is ready to assist you with any special needs and concerns in keeping with the guidelines provided in this handbook.

Camp Peaceful Pines Board of Directors must comply with the US Forestry Service non-discrimination policy statement as delineated by the U.S. Department of Agriculture:

“ The USDA prohibits discrimination in all its programs and activities on the basis of race, color, national origin, age, disability, and where applicable, sex, marital status, familial status, parental status, religion, or sexual orientation.”

As you enjoy the beauty of the forest we remind you to be good environmental stewards of the camp and surrounding areas.

We wish you restfulness, peace and fellowship as you use the camp.

~ Board of Directors

CAMP PEACEFUL PINES:

Is governed by a Board of Directors composed of individuals from Church of the Brethren congregations from Bakersfield to the Oregon border and non-Brethren individuals who attend the camp.

Is affiliated with the Pacific Southwest District of the Church of the Brethren.

Operates under a special use permit issued by the Stanislaus National Forest Service, US Forest Service, US Department of Agriculture.

- Two horseshoe pits
- Tetherball
- Basketball hoop

- Surrounding Area Activities

- Hiking: A binder which describes locations, length and difficulty of trails is available upon request from the superintendent.

- Fishing: Across the road from the camp is the Clark Fork River which the Fish & Game department stocks.

- Pinecrest Lake is about 30 miles from the camp. Kayaks, paddle boats and pontoon boats are available to rent. Swimming in the lake and hiking in the area are fun activities.

FIRE DIRECTIONS

At the first meal of your camp the superintendent or director will notify all campers of the US Forest Service regulations which require all parked vehicles to have nose facing toward the parking area exit road. In the event of a fire no car should need to back out of a parking space. Notify campers of the designated area to meet in event of a fire (usually the large parking lot).

Designated individuals should know the locations of fire hoses, fire extinguishers and be familiar with their use.

In the event of a fire, the person discovering a fire shall sound the alarm (ring dining hall bell or sound a vehicle horn repeatedly).

Everyone meets at the designated area and will be notified of the location of the fire. Director and counselors will account for all campers. The director and superintendent or other designated person will be in charge at all times. If necessary, another person should telephone for the fire department.

Send a responsible adult to meet the fire vehicles at the entrance of the camp on Clark Fork Road.

NO ONE will be allowed to leave camp during a fire without authorization and direction from the person in charge.

Emergency evacuation will be accomplished as follows:

- If the fire is north or east of camp, take Clark Fork Road west to Highway 108.
- If the fire is west of camp and the road is blocked, take Clark Fork Road east to Iceberg Meadow.
- If the road is blocked in both directions, walk south to the river across the street from the camp.
